

November 7, 2014.

Dear Parents,

As mentioned at Parent Information Night, PCA is in the process of updating its vision and mission statements. We are now ready to share both with you.

For some of you who have been with PCA for more than 3 years, you will remember PCA has gone through some challenges between 2007 and 2011 in order to re-establish the ministry under a PCA parent/alumni board and a new location. As we reflect on this recent history, one may ask, "God, what is your will for PCA?" This is the question for which the PCA board has been seeking God's answer. After much prayer and deliberation, the PCA board has established the following vision statement:

**"Peoples Christian Academy is a missional school where children are trained in Christ's ways in order to be placed by Him in their respective fields to defend Christian truth and values, serving His purpose for His glory."**

We believe God is pleased to see that His children are trained according to His words and are placed by Him into different areas in society, to live up to and defend Christian truth and values. In a world with challenges and conflicts, it is ever more important for Christians to share God's peace and love, pointing to the exclusivity of Christ as the only way to God.

Our new vision statement seeks to build on PCA's history as a "preparing and sending" institution of learning. We wish to heighten the students' consciousness of the brokenness of our world and the remedy that is in Christ alone. In the future, when our students study art, they will look for ways to use their skills to glorify God. When they study business, they will pursue the establishing of fair and honest business practices, and more. When they study law, they will uphold biblical justice and righteousness, and seek to assist the oppressed. We believe PCA is placed strategically in a challenging time in one of the most multi-cultural societies in the world. Our alumni will serve Christ by serving locally and globally, making a difference in the world for Christ. So, here is our mission statement:

**"PCA is committed to preparing the whole person to reach the whole world for Christ."**

May God continue to lead us to fulfill His will at PCA. Amen.

PCA Board of Directors
