Oct 10, 2014

Dear PCA parents,

At this time of the year, we reflect on the blessings we have received in our lives. At PCA, we are very thankful to all of you who have entrusted your children to us to bring them up according to God's values and truth.

We are also very thankful for the architectural firm and the construction company who worked very hard during the summer to have the four new classrooms completed. The quality that went in, such as soundproofing, is amazing. We also would like to express our sincere thanks to the PCA team who worked tirelessly during the last two weeks of August to outfit these classrooms and make improvements in and around the property. Throughout the summer, we have received about \$83,000 in donations for the classrooms including a gift from a retired teacher of \$75,000. We thank God for these donors who partner with us to raise up the next generation for Christ.

Lastly, we would like to thank all of our teachers and staff team who continue to put out their best to teach and inspire the students. Many of them devote a lot of time within and outside the classroom to coach and to advise students, not only academically, but also spiritually. They certainly are a blessing to all of us.

We are so thankful to God and to all the brothers and sisters who have sacrificially given to the Building and the General Funds. Below are some numbers we want you to be aware of. We have been keeping the tuition at a level to make Christian education more accessible. Our staff team have not received a salary increase in the past five years other than inflation adjustments. If you would like to support PCA, please pick up a donation envelope from the office, go to pca.ca to donate online or text PCA to (437) 800-2722 and follow the link. This is a local text line.

	Need	Donation Received
Four classrooms and special maintenance	\$360,000	\$82,800
